He will deliver several lectures

It cannot be denied that many people feel that a lecture tour by the Secretary of State at the present time should not have been undertaken. The condition of the relations with Mexico are such that it was supposed that Mr. Bryan had his hands full at Washington. There is certain to be much more criticism of the lecturing heard

### STEFFANSON WAS BORN IN

THE DOMINION OF CANADA

V. Steffanson, contrary to the opinon of many, was born in Canada and not in any of the Scandinavian countries. He is descended from Icelandic parentage.

Dr. Anderson is Norwegian by descent but was born in the state of lows. He is second in command of the exposition.

Scotty Allan has been made the reciplent of splendid binoculars by Mr. Steffanson as a token of esteem and. it is said, as a compliment in return for some help which Mr. Alian gave in securing dogs, etc. The binoculars were made in England and engraved on them are the words "To Scotty Allan from V. Steffanson."
